

Queen Containers LTD

10' Container with Roll Up Door

This unique 10' Storage container is custom created by Queen Containers & easily fits in a Standard parking space, backyard, or awkward position. The roll-up door feature eliminates the extra space required for a swing out door. The unit is light weight & can be easily moved with a 5,000 lb. forklift.

Tailor the unit to meet your storage requirements with our custom fabrication options.
